# Welcome

Welcome to **UVA Health Surgical Care Riverside**, where we perform surgeries that don't need an overnight stay. Same-day procedures offer:

- Less expense
- Reduced pain
- Lower risk of complications
- Recovery in your own home

Here, you'll find a healing environment and supportive specialists committed to your care.

Read about surgery at UVA Health, including pain control, anesthesia, and preventing infection: uvahealth.com/surgery

# Day of Surgery

Follow these steps:

- If you use an inhaler, bring it with you.
- Wear loose, comfortable clothing.
- Leave valuables and personal belongings at home.
- Don't wear makeup or nail polish.
- If you wear contacts, either wear your glasses or bring a contacts case with you.
- Remove all jewelry, including wedding rings and piercings.
- Bring your insurance information and a picture ID.

- If your child is having surgery, one parent must remain in the surgery center at all times. If needed please bring diapers, bottle, or preferred cup. Your child may bring a small toy or item for their comfort.

# After Surgery

Follow these steps:

- You must have a responsible adult drive you home from surgery.
- You should have a responsible adult immediately available after you get home.
- If you have difficulty at home, call the surgery center at 434.297.9850.
- No patient will leave the center alone. Patients who do not have a ride home will be cancelled. Public transportation home is unacceptable unless you have a responsible party 18 or older to ride with you.
- If you have an emergency, dial 911 or go to the nearest emergency room.
